

When we say "Host City,"  
we mean it.

Who says conventions should be conventional? In Montréal, we've got all the nuts and bolts to help you plan a successful event—like 30,000 m<sup>2</sup> of meeting & convention space in the Palais des congrès, our ultramodern convention centre, over 26,000 hotel rooms, a 24/7 online housing system and innovative attendance-building tools. Plus, we'll bring creative, customized solutions to create that extra touch of magic your attendees will never forget.
